Dear customers,

We are very pleased to introduce you to our 2016 line of soft toys and other promotional items.

Our soft toys are built with no sand or plastic beads within and only the best quality of materials. We can adjust the density of the stuffing or the accessories to any specification.

WE WANT YOU TO KNOW ...

- All of our products can be personalized, for instance, with your logo.
- We apply economies of scale cumulatively to all the malls of a banner or a group.
- Minimum order is 10 000 units per adress, however, smaller malls may group together to attain that requirement.
- Also, the minimum order can be split with all the soft toys of the same «family».
- Our prices are in CAD\$. Prices can be influenced by the value of the currency, shipping, handling, customs and taxes.
- Dead line to place an order is set on august 31st to make sure your products will be there before your Santa.
- We also have Santas, Mrs Claus and Elves we can send you with or without the toys.
